Dear Parents/Guardians:

The New Jersey Department of Health and Senior Services (N.J.A.C. 8:57-4.19) mandates that Pre-K students receive the seasonal flu vaccine each year **by December 31st**. Students who have not received the vaccine will be excluded from the preschool program until March 31st .

Influenza Vaccine- Children 6 months through 59 months of age enrolled in a preschool program must annually receive at least one dose between September 1 and December 31 of each year.

The students **must have** the influenza vaccine and **provide documentation** from their primary care provider.

Please have your Primary Care Provider complete the bottom portion of this letter and send it after your child has received the vaccination. If you have any questions, please contact me 973-317-7734.

Thank you for your cooperation in this matter.

Sincerely,

Preschool Nurses

Student _____ Date _____

The above named student has received the Influenza vaccine on _____

(Month, day, year)
